

URBAN FURNITURE

Inter-Play
creating moving space

Meeting the market's expectations we decided to develop our offer and add urban furniture.

Inside our newest Inter-Play catalogue you can find tables, benches, planters, bicycle racks, trash bins, bollards – all what is necessary to make our streets and parks better equipped and friendly.

The background is a complex, abstract composition of flowing, wavy lines in shades of light green, yellow, and white. These lines create a sense of movement and depth. In the center, there is a dark silhouette of a modern chair with a curved back and two legs. The overall aesthetic is clean, modern, and artistic.
