MOTOR SKILLS PILLOW

THE ORIGINAL JUMPING PILLOW®

the story behind

The company Jumping Pillows® has more than 30 years of experience in manufacturing and installing jumping pillows all over the world. With the installation of more than 10.000 jumping pillows® our experienced distributors are ready to meet your needs.

You should choose a jumping pillow® for several reasons:

- **MOST PRICE COMPETITIVE PLAYGROUND PRODUCT COMPARED TO NUMBER OF USERS**
- **NO REQUIREMENT OF CONSTANT SUPERVISION**
- **ALL USERS ARE GIVEN THE CHANCE TO PLAY EQUALLY**
- **IT BRINGS COLOURS TO THE PLAYGROUND /MULTIPLE COLOUR OPTIONS**
- **DEVELOPS MOTORIC ABILITIES AND SENSES**
- **HIGH AND LOW ACTIVITY LEVEL DEPENDING UPON AGE, TIME OF DAY ETC.**
- **CUSTOMERS' PREFERRED PLAYGROUND PRODUCT**
- **LOW ELECTRICITY AND MAINTENANCE COSTS**

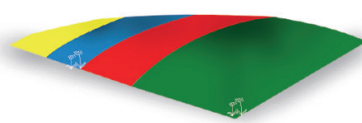

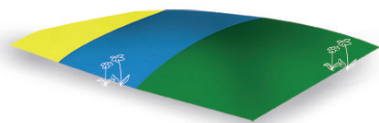

The original jumping pillow® comes in 6 standard colours but can off course be customised to fit your needs exactly. Keep in mind that darker colours get hotter in summer making jumping less enjoyable.

The original jumping pillow® is manufactured in the best standard possible. Our design and production are independently certified by TÜV SÜD Product Service and naturally, our products live up to the demands of EN14960.

MOTOR SKILLS AND LEARNING IN GENERAL

with a motion skills pillow

The Motivity Pillow has been developed in cooperation with Dansk Skoleidræt/
Danish School Sports with the intention to develop children's motoric and internal
coordination skills through the game in general.

With the Motivity Pillow you turn play into learning and achieve to a greater extent:

- **Physical exercise for all user groups, including less active children**
- **Development of motoric and internal coordination skills**
- **Development of sense of touch**
- **Alternative teaching and learning**
- **Lot's of fun**

You will receive an exercise booklet with specially developed exercises, which
makes it very easy for the teacher or instructor to use. The Motivity Pillow is of
course approved according to the European standard EN14960 and certified by
TÜV SÜD Product Service – your guarantee for a quality product.

Exercise booklet:

We have painted figures and numbers on to
the pillow that are closely connected to a
booklet with 25 exercises. The booklet
ensures that the pillow creates dynamic
games and a lot of value in learning contexts.
